

SILVER TEASPOONS FREE

Unparalleled Offer by the
Mission Theatre.

Everyone purchasing a 10-cent admission ticket will be given a lettered coupon. When you have a complete set of the letters that make the name MISSION, present them at the box office and receive a set of six teaspoons ABSOLUTELY FREE.

These beautiful Narcissus Teaspoons are designed and made by the William A. Rogers Manufacturing company. They are triple silver plated and will wear for years. The handles are of the latest "French Gray," the Narcissus design showing on both front and back, giving the spoon the same appearance as the best "sterling."
