338-340 SOUTH STATE ST.

## SPECIAL FEATURES

New building with a seating capacity of Six Hundred.

Edison's, latest improved machines used exclusively.

Our machine and operating rooms have been closely inspected by Mr. B. Crosby, inspector and assistant chief of the Salt Lake fire department, and also by an authorized representative of the local board of fire underwriters, both of whom gave their official opinions to the effect that we have adopted the best system of fire-proofing it has ever been their privilege to see.

We will have a complete change of program twice a week, the changes to be made at the matinee on Sunday and Wednesday.
