

TWO NEW STORES WILL BE ERECTED

Two clothing stores will occupy the premises on Main street where the Crystal and the Crescent moving picture shows were located. The work of tearing out the fixtures at the Crystal at 131 South Main street and at the Crescent, 245 South Main street, was begun yesterday.

The Poulton, Madsen, Owen company will move into the new quarters at 245 South Main, and the J. P. Gardner company into the building occupied by the Crystal moving picture show.

The Clayton-Daynes Music company will add the space occupied by the Poulton, Madsen, Owen company to the space of their store located one door north.

The Gardner company contemplates making several changes in the interior of the Crystal theater building and will put in a new glass front.
