Mexican Mustang Liniment

For the Outward Ailments of
MAN or BEAST.

Used 15 years by a Veterinary.

GENTLEMEN:

I have used scores of bottles of your MEXICAN MUSTANG LINIMENT for it is an old, old remedy with me. My father, the late W. Hymer, V. S., of Paola, Kan., used it in our veterinary hospital there for fifteen years. I have seen as high as a dozen bottles, (always the dollar size for we used so much we found this size the cheapest) in our office at one time and empty bottles too numerous to mention on the shelves.

We found it the best liniment made for strains, cuts, bruises, etc., and an excellent remedy for barbed wire wounds. You did not solicit this, but I think it my duty to aid the public by prescribing your liniment for many horse ailments.

Very respectfully,
J. O. HYMER, V. S.,
La Cygne, Kan.

Saves Loss in the Dairy.

GENTLEMEN:

It seems to me among your claims as to the efficacy of MEXICAN MUSTANG LINIMENT you hardly give prominence enough to its wonderful curative power on inflamed and caked udder in cows. I have used it for two years in my stable and since I began its use have not had a case which was not relieved by a few applications. A thorough bathing of the udder with hot water, followed by gentle and persistent rubbing of the "Mustang" will, I believe, cure any case, leaving the teats in good order—unless suppuration has already begun. If all others in the dairy business knew this it would save much worry and loss.

Respectfully,
MRS. A. I. YOUNG,
Columbus, Ga.
Prop. of The Pines Dairy.
