

LEASES DANIELS THEATRE

The Rand Amusement company, which controls the Empire theatre in State street, has closed a lease on the Daniels theatre and will, on December 20, open with a strong vaudeville bill and moving pictures. Later, it is understood, the Daniels will give high-class musical comedy.

The Daniels is being remodeled for the new order of things and will soon be in excellent condition. The interior of the house will be so changed as to make it appear entirely different from its former aspect. The recent fire in the building has made a complete remodeling necessary, and the house will be one of the best in the city. Harry Rand will have active management of the place.
