

Centre Will Present 'Robin Hood' Premier

"The Adventures of Robin Hood," the technicolor version of the famous story and starring Errol Flynn, will have its world premier at the Centre theater, starting Thursday at 7 p. m. There will be two performances, one at 7 and the other at 9:30 p. m. State, city and Warner Brothers officials will be in attendance in a special reserved section.

"The Adventures of Robin Hood" is one of the most important pictures of the year. It has been acclaimed by critics and preview audiences as a masterpiece of screen entertainment.

Errol Flynn, a veritable reincarnation of the legendary Robin, portrays the title role. Sharing honors with him is the demure and lovely Olivia de Havilland portraying his lady-love, Maid Marian—and they prove that medieval romance was even more thrilling than the modern variety.
